Ipswich – The First National Bank of Ipswich President and CEO Russ Cole recently presented a check to the Compass Youth Program of Action, Inc., in support of their service to area youth. To raise the money, employees of the bank – Team FNBI – participated in “Wear Your Jeans to Work Day,” an event that is scheduled several times through out the year that benefits many different causes. Shown above are Darlene Story, Director of the Compass Youth Program, with Sean Robert, Bonita Feenay, Richie Burroughs and Russ Cole.
